WHAT ARE THE TYPE OF PROJECTS WE IMPLEMENT?

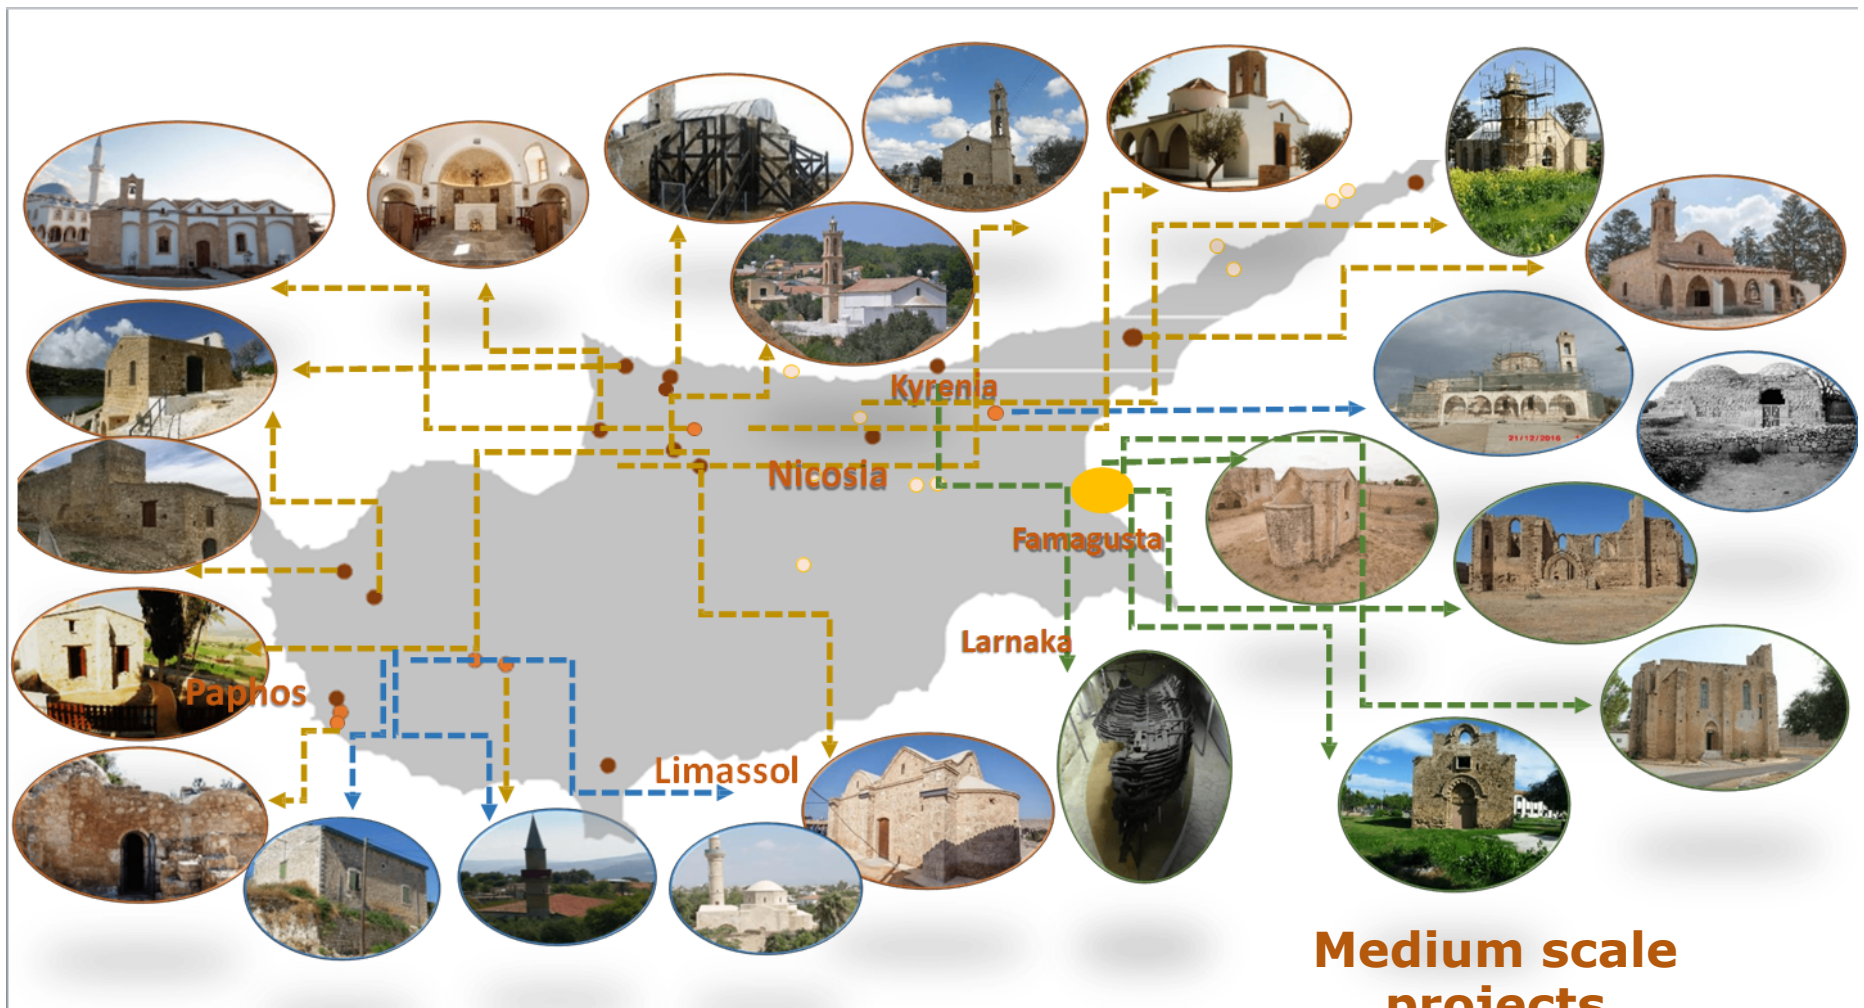

- **Small scale projects** include small project activities, emergency projects and minor interventions with fast results that both safeguard the cultural heritage and enhance community development.
- **Medium-sized projects** focus on conservation projects of moderate cost and high impact.
- **Mega projects** focus on large-scale monuments with great historical and social value, such as the Apostolos Andreas Monastery, the Othello Tower, the Famagusta Walls Complex, and the Agios Panteleimonas Monastery.
